

THE BOYS' BRIGADE NORTHERN REGIONAL TRUST

Michael Stead Memorial Lodge - Kauaeranga Valley

ANNUAL REPORT FOR YEAR TO 31 DECEMBER 2020

THE BOYS' BRIGADE NORTHERN REGIONAL TRUST

Registered New Zealand Charity no: CC33116

Basis of Trust The Trust was established as The Auckland Boys' Brigade Trust by deed dated 23 June 1983 to take over the assets and financial affairs of The Boys' Brigade Auckland Battalion Incorporated and of the other three unincorporated Auckland Battalions.

It became The Boys' Brigade Northern Regional Trust on 13 December 1989, widening its scope and sharing its resources by agreement with the other Battalions of the Brigade in the Region, from Taupo north.

Trustees are appointed by the Executive of The Boys' Brigade in New Zealand Inc. for two-year terms, as provided for in the deed. Trustees operate under the provisions of:

- the Trust Deed, 13 December 1989, amended 1 July 1992
- the Charitable Trusts Act 2005
- the Charities Act 2019
- the Trusts Act 2019

Trust objectives The Trust is charged with managing its assets "to further the ongoing work of the Brigade in the Northern Region" as detailed in the deed.

The Brigade itself exists to enhance the spiritual, mental, social and physical development of Boys and young men.

Trust powers The Trust's powers are also detailed in the deed. Among other actions, the Trust is empowered to:

- provide financial and property management services for the Northern Region including the soliciting for and the raising of further funds at the discretion of the Trustees.
- contribute towards development and outreach of the Brigade.
- contribute towards leadership training.
- make grants to Brigade and ICONZ units.

REVIEW OF THE YEAR 2020

The Covid-19 Pandemic and associated Government regulations affected BBNZ and ICONZ activities severely but not the work of this Trust.

Main activities of the Trust during the year were:

Meetings The Trust met twice during the year, in June and December. It also held telephone and email consultations to resolve issues at other times.

Trustee changes There were no changes to the Trust's membership in 2020.

Scholarships The first *Bruce Wallace MacCarthy Memorial Scholarship* was made to Jacob Bruce of Hamilton to attend an Outward Bound course at Anakiwa. Full information about the scholarships appear on the Trust's website bbnrt.org.nz.

Trustees are consulting BBNZ about a suitable way to recognise the major contribution made to national leadership training by the late Ward Fischer MNZM JP MNZIM MCILT, who died in November 2018. Ward left the Trust a substantial bequest in his will.

Investments The Trusts Act 2019 requires Trustees to be prudent with Trust funds. Trustees have all funds managed by New Zealand owned organisations. Income from term deposits, has fallen in recent years, but 40% is still in term deposits, mainly with Christian Savings, to protect funds. Since late 2013, part of the Trust's money has been with funds manager, Milford Asset Management, with investments spread over a wide range of entities, reducing risk, but giving a higher return than term deposits, and averaging about 8% per annum. Milford maintains close personal contact with Trustees.

Part of each year's income is set aside in the Stedfast Reserve in the accounts, to ensure funds do not lose value with inflation.

Projects funded The major project continued to be granting employment costs of a Development Manager to The Boys' Brigade in New Zealand. He provides leadership stimulus, training and growth for leaders in its BB and ICONZ programmes for Boys and young men in the region in a fun, Christian environment. He has helped develop BBNZ/ICONZ's new initiative, in collaboration with the Ministry of Education: an ICONZ Edge programme, being used by a number of primary and intermediate schools, which is expanding.

Covid-19 lockdowns prevented BBNZ from holding their National Leadership Development Courses this year so no subsidies were needed from the Trust.

No grant applications were received from Companies/Units, also because of the lockdowns.

MSML

Michael Stead Memorial Lodge was opened in 1976 and named in honour of Michael Stead of the 2nd Auckland Company at Greenlane Presbyterian Church, who drowned in a canoeing accident on the Whanganui River. Michael's parents live in Northcote. (Bob Stead was a BB officer in Birkenhead when our Chairman was a Boy.)

The Lodge, in beautiful natural surroundings, sleeps 24, has solar-powered lighting and hot water, and gas for cooking and refrigeration. A new 10-year lease of the Coromandel Forest Park site was signed in 2017 by DOC and the Trust.

The Lodge provided about 465 person-nights in 2020 and is advertised on the Trust's and BBNZ's websites. Bookings have increased to but it is still under-utilised, so the Trust encourages more use by BB and ICONZ units and families. Lawn-mowing and security oversight is provided by the caretaker of the neighbouring Kauaeranga Valley Education Trust's lodge. Costs for this and for water rights are shared.

Nigel Hanlon Hut This garage-sized hut at Piha has been used by BB companies since 1955. Built on land within the Auckland Centennial Memorial Park, now part of Auckland Council's Waitakeres parkland, it was later named after a Boy from the 56th Auckland Company at Northcote Baptist Church, killed in an accident.

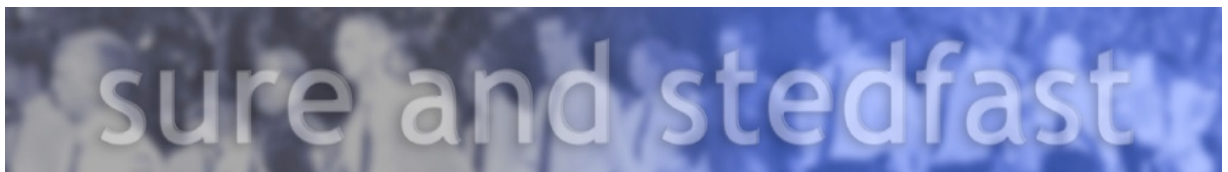

During the years when the Trust owned Stedfast Park at Piha, use of the Hut became minimal and facilities deteriorated. After Stedfast Park was sold, the Trust renovated the Hut and provided new facilities. Graeme Johansen has Portfolio responsibility for it and Roly Stanley maintains it. A new lease was recently agreed with Auckland Council. Use of the Hut by BB, ICONZ and a range of other groups and families increased steadily after renovation but had to be curtailed with closure of the area for camping for several months after dangerous flash-flooding.

Communications The Trust decided in 2017 to set up its own website bbnrt.org.nz as well as a link on the BBNZ site, advertising its purposes, activities and properties. We are very grateful to BBNZ for the link on their site.

A supply of quality Trust-branded pens is purchased and issued to all leaders in the Northern Region each year. Trustees also give pens to individuals and groups to promote good-will and awareness.

The motto of The Boys' Brigade, selected from Hebrews 6:19 from the King James version of the Bible (hence the spelling). It was chosen by the Brigade's Founder, Sir William Alexander Smith in Glasgow in 1883.

IN THE PIPELINE FOR 2021

During 2021, the Trust intends :

- to continue to monitor its investments and investment policy and to move maturing Term Deposits to Fisher Funds fund management.
- to consult with BBNZ on the use of increased investment income to provide leadership support and development for Brigade and ICONZ groups in the Region,
- to assist training of more young leaders by again subsidising course and travel costs,
- to subsidise Regional and local events when appropriate,
- to publicise the Bruce Wallace MacCarthy Memorial Scholarship and call for applications.
- to make grants to individual ICONZ and BB units and encourage more applications.

To apply for a grant, visit the Trust's website www.bbnrt.org.nz , download an application form and when completed, scan and email it to cutlery@xtra.co.nz

- to develop and implement a more comprehensive communications and marketing policy to enable its role and facilities to be better known and understood within the Brigade and ICONZ movement, and to recreate a profile with potential outside funders.
